Laboratory Technician Opportunity

Northern Lake Service, Inc.
2420 North Grandview Boulevard
Waukesha, Wisconsin 53188

Website: www.nlslab.com

The Company: Northern Lake Service, Inc. (NLS) is a growing environmental laboratory located headquartered in the beautiful Northwoods of Crandon, Wisconsin. NLS humbly began as a tiny office and lab in the family garage. In 1980, NLS moved into a historic old building in downtown Crandon, Wisconsin. More than four decades, three major additions, satellite office, and a generation later, the modern facility is home to a company that sets the standard for environmental lab services in the Midwest. The current NLS staff consists of over thirty-five seasoned chemists, analysts, technicians, and support staff whose average tenure with the company is more than 10 years.

The Location: The satellite office / laboratory location of NLS is in Waukesha, Wisconsin, and is conveniently situated three blocks off I-94 allowing quick and easy access for clients and employees.

Job Description: As a Laboratory Technician, you will be primarily responsible for the analysis of samples for biochemical oxygen demand (BOD), total suspended solids, total coliform/e. coli, and anions by ion chromatography. Additional duties may entail sample receipt, bottle preparation, client interaction, and general housekeeping within the laboratory. As part of a small satellite office/laboratory location the goal is to consistently meet client demands and provide outstanding customer service

Ideal Candidate: An ideal candidate is a high school graduate with basic science knowledge and has an interest in working in a laboratory setting. Associate degree preferred, but is not required. Must be willing to grow within the department by performing multiple duties with a focus on teamwork, quality, and safety. Opportunity to build a strong technical background along with contributing to the overall success and operation of the laboratory.

Requirements: Must be willing to work as both a part of a team as well as independently at times. Must be able to operate a Windows operating system specifically Microsoft Word and Excel programs.

Compensation: This is a full-time hourly position with flexible hours. Pay will be dependent on experience. A competitive benefits package including paid time off, sick leave, 401k match,

health insurance, and profit sharing is available. After two years of employment, employee stock ownership is available.

Application Process: Submit a resume and cover letter. Please indicate the position and location you are applying for. The hiring process may involve a combination of both phone and in-person interviews.
